

YOUTH ARCHERY TEAM

S3DA ARCHERY PROGRAM

The mission of the scholastic 3-D Archery (S3DA) Program is to foster, educate and guide youth in the areas of indoor target, 3D and outdoor target archery as well as safe, ethical bowhunting practices. The goal of the S3DA program is to provide archer and bowhunting opportunities for young people in after-school settings as well as with archery-affiliated clubs and businesses in the community. We provide an effective after-school archery program, focusing on indoor 5 spot, 3-D and outdoor target archery and the certification and tools to deliver the instruction to youth. As a result, S3DA expects to see increased participation in 3-D and target archery by youth and parent archers using compound bow and traditional archery equipment while also helping to increase participation at local, state and national archery events. In addition, S3DA expects to help provide a basic understanding and respect for our natural resources and regulated sport hunting

S3DA has a thirty-dollar member fee and you must register on the s3da.sport80.com website and sign up under Bethlehem Rod & Gun Club. We plan to practice as much as possible at Bethlehem Rod and Gun Club but in the winter, we will have practice at Black Rock Fish & Game Club and Walden Sportsmen's Club in their indoor facility. I plan to meet one or two times per month until we get more coaches. There are competitions in the three disciplines which are subdivided by age and bow type. Ages of participants are 8 – 17 as of January 1st of a competitive season.

For additional information contact Edward Malle at 845-541-6775 or archerybrgc@gmail.com.

Please fill out the form below and return to me by email, in person or archery mailbox
